My understanding is that it was timely uploaded to FOIAonline. Let me know if not.

Rich,
We have not yet received any EPA documents responsive to our August 19, 2014 request. Could you please provide us with an update?

Thanks,
Kerry

I think it would be good to see them, too.

Deidre,

There are several intra-agency emails that mention Cargill but only in the context of responding to your prior FOIA, e.g., “We’re uploading the Cargill FOIA documents today” or “Rich Campbell is the assigned attorney for the FOIA.” Nothing substantive. Are you OK if we filter out these emails from the response?
